

Characterised by a sophisticated design, with sleek lines and essential elegance, DUNAS xs is a collection of chairs, armchairs and stools of transversal use that originates from the combination of two seat bodies with a wide variety of bases, allowing endless possibilities of use in all kind of contexts and spaces, residential and public alike. The chairs are offered with a wide range of bases, fixed or swivel, in metal or wood, and which are available in a choice of different colours and finishes. The seat bodies can be upholstered in any of the leathers or fabrics of the INCLASS swatch samples and also with fabrics supplied or specified by the customer.

Christophe Pillet graduated from the Decorative Arts School in Nice in 1985, Master of Domus Academy Milano, in 1986. He worked with Martine Bedin in Milano from 1986 to 1988 and cooperated with Philippe Starck, in Paris, from 1988 to 1993. Since 1993, he manages his own design agency. Pillet was elected as "Créateur de l'année 1994". During his career he has published many articles on the most important magazines of the world. Lucidity of expression and the search for simplicity are the key principles: in the work of Christophe Pillet the elegance is optimized. Pillet's perfect command of sensuality and refinement has made him one of the rare French designers who have gained global recognition designing hotels, boutiques and directing artistic projects in Europe, USA, and Japan. He has won international acclaim for the spectrum and quality of his creations. Architecture objects, furniture, artistic direction, his signature is invariably associated with the best furniture companies and with the finest luxury brands: Trussardi, Lacoste, Moët et Chandon, Veuve Clicquot, Lancome, Shiseido, l'Oréal, JC Jitrois, Catherine Malandrino, Lancel, Le Tanneur International... The scope and the variety of his projects share a common attitude, independent of scale. Whether it be as design director for renowned fashion brands, or in longterm collaborations with first class furniture brands, his considered interpretations are a test to high-voltage chic, distinguished both by its precision and rigor. If a "Pillet style" exists, it is in his ability to crystallize, within a project, the excitement of a proposition.

BODY

The seat body is made with an inner steel frame covered with high density and resilience CMHR mould-injected polyurethane foam. It is available in three versions: chair, armchair and stool.

Upholstery: Available in any of the leathers or fabrics of the INCLASS swatch cards and also with fabrics supplied or specified by the customer.

BASE VERSIONS

Four legs base

The frame is made with 16mm steel tube with 2mm thickness.

Finishes: Available in thermoset polyester powder coating in any of the colours of the INCLASS swatch cards or in chrome.

Rod sled base

The frame is made with 12mm solid steel rod.

Finishes: Available in thermoset polyester powder coating in any of the colours of the INCLASS swatch cards or in chrome.

Four star trestle swivel base

The base is made with 18mm solid rod.

Finishes: Available in thermoset polyester powder coating in any of the colours of the INCLASS swatch cards or in chrome.

Four star flat swivel base

The base is made with 18mm solid rod.

Finishes: Available in thermoset polyester powder coating in any of the colours of the INCLASS swatch cards or in chrome.

Four star swivel base in oak

The base is made with an inner steel structure covered with oak wood.

Finishes: The oak can be varnished in natural colour or lacquered in white or black.

The spokes have adjustable glides.

Chair with five star swivel base on casters

The base is made with 18mm solid rod.

Finishes: Available in thermoset polyester powder coating in any of the colours of the INCLASS swatch cards or in chrome.

The base has casters with double soft tread.

4 aluminium spokes swivel base:

Swivel base made from cast aluminium alloy. Fitted with fixed felt pads in contact with the floor.

Finishes: Available in a polished finish or coated in heat-hardened polyester paint in black or white.

5 aluminium spokes swivel base with casters and gas:

Swivel base made from cast aluminium alloy. Fitted with a gas-operated elevation column and soft-tread 65mm castors.

Finishes: Available in a polished finish or coated in heat-hardened polyester paint in black or white.

Four-star swivel stool base in wood:

The base is made with an inner steel structure and oak wooden spokes finished in all the colours of the INCLASS chart. The footrest ring is finished in chrome.

The base is produced in heights of 75cm and 65cm.

Stool base with 4 tube legs:

Made from 14mm steel tube and finished with polyester paint in all the colours of the INCLASS chart or in chrome. The base is produced in heights of 75cm and 65cm.

CERTIFICATIONS & STANDARDS

- European standard UNE EN
- ANSI-BIFMAX5.1
- AIDIMA Quality Control Label

- The quality management system of INCLASS is certified in accordance with ISO 9001:2008 in all the design, manufacturing and sales procedures of its products.
- INCLASS production processes are certified according to environmental ISO 14001:2004 quality standards and are carried out through the reduction of waste and energy consumption in order to minimise any impact on the environment.

WARRANTY

INCLASS MOBLES S.L. guarantees the products of the collection DUNAS XS against any manufacturing and materials defect up to a period of 5 years from the date of the invoice. All damages caused by misuse, accident as well as those having their cause on the lack of proper maintenance are excluded from this warranty. Natural attrition of fabric and upholstery foam is also excluded from this warranty. The customer must prove the date of purchase of the article with the invoice.

INCLASS replace or repair nonconforming products or components taking over the costs without any other liability.
