 This product is available with all components approved by the Swan eco-label. For further information, visit [www.offecct.se](http://www.offecct.se).

### The Swan Eco-Label

All parts incorporated in a product have to be approved by the Swan in order for the product to bear the Swan eco-label. The Swan is the official Nordic eco-label, and the logo demonstrates that a product is a good environmental choice. The Swan checks that the products fulfil certain criteria using methods such as samples from independent laboratories, certificates and control visits.

## EU Flower

SIS, (the Swedish Standard Institute), grants all fabrics marked with the EU-flower follows the European environmental demands for textiles.

## Climatex

Climatex upholstery fabrics fulfill the highest expectations with regard to well-being, beauty, safety, and longevity. The material is breathable, keeps the seat surface dry even after long seating periods, continuously balances changes in body temperature and reflects thermal radiation. Biologically regenerative raw materials are used to produce Climatex fabrics. They are picked and processed according to the Cradle to Cradle principle and are certified with Cradle to Cradle Gold.
