_inkas

inkas è un divano esclusivo che permette di creare il proprio stile unico e irripetibile, un gioco di incastri infinito tra sedute e braccioli/schienali. Le composizioni *inkas* hanno un disegno irregolare, a volte il taglio delle sedute e degli schienali non coincide e gli schienali hanno altezze variabili: l'effetto che si ottiene è quello di un vero e proprio incastro di volumi morbidi e geometrici che conferiscono una sensazione di ritmo e vivacità. Tutti gli elementi sono in piuma. La base che fa da struttura portante per lo schienale/bracciolo è disponibile verniciata marrone micaceo o bianca.

inkas is an exclusive sofa allowing the creation of a unique, unrepeatable style, and endless patterns of interlocking shapes with the seat and armrest/back units. The *inkas* compositions have an irregular design: the edges of the seat units and back units do not match and the height of the back units is variable. The effect is an interlocking pattern of soft and geometric shapes that convey a sense of rhythm and vivaciousness. All the components are in down. The base supporting the back and armrests is available in micaceous brown or white.

inkas est un canapé exclusif qui permet de créer un style unique, un jeu d'emboîtures infini entre les éléments d'assise et de dossier/accoudoir. Les compositions *inkas* ont un dessin irrégulier, parfois les assises et les dossiers ne correspondent pas et les dossiers ont des hauteurs variables: l'effet qu'on obtient est une vraie emboîture de volumes souples et géométriques, qui donne une sensation de rythme et de vivacité. Tous les éléments sont en plume. La base qui sert de structure portante pour l'élément dossier/accoudoir est disponible en métal verni marron micacé ou blanc.

Das exklusive Modell *inkas* ermöglicht jeden eigenen unwiederholbaren Stil mit verschiedenen Spielen von Sitzen und Arm- und Rückenteilen zu schaffen. Die Kompositionen *inkas* sind durch ein unregelmäßiges Zeichnen charakterisiert: manchmal stimmt der Schnitt der Sitzen mit dem der Rücken nicht überein und die Rückenkissen sind unterschiedlich hoch: das Ergebnis ist ein echtes Einklemmen von weichen und geometrischen Volumen. Alle Elemente sind aus Daunen. Die Basis ist aus Metall, glimmerig braun oder weiß gebeizt.

inkas es un sofá exclusivo que permite crear un estilo propio único e irrepitible, un juego de encastres infinito entre asiento, y los apoyabrazos/respaldos. Las composiciones *inkas* tienen un diseño irregular, a veces los perfiles del asiento y del respaldo no coinciden y los respaldos tienen alturas variables: el efecto que se obtiene es el de un verdadero encastre de volúmenes suaves y geométricos que confieren una sensación de ritmo y vivacidad. Todos los componentes son en pluma. La base que hace de estructura para el respaldo/brazos está disponible pintada marrón micáceo o Blanco.

DESIGN MANZONI - TAPINASSI 2011

Struttura schienale e seduta telaio di base in metallo; struttura in legno multistrato

Imbottitura fusto schienale rivestimento esterno in cotone spigato 100% antipiroma, Dacron termolegato e cotone termosaldato. Riempitura in piumaflex e dima interna in poliuretano a quote differenziate

Imbottitura fusto seduta rivestimento esterno in cotone spigato 100% antipiroma. Riempitura in piumaflex e dima interna in poliuretano (D.30 + D.30 FE)

Imbottitura cuscini poggianti tessuto esterno in Gabardina 100% cotone riempitura in piumaflex

Altezza seduta 40 cm **Altezza bracciolo** 67 cm **Piedi** metallo verniciato colori marrone micaceo e bianco RAL 9003, h. 3 cm

Back and seat structure frame at sight in metal; inner structure in multilayered wood

Back structure padding 100% down proof twilled cotton cover with thermo bonded Dacron, filled with mixed down, core in polyurethane of varied densities

Seat structure padding 100% down proof twilled cotton cover filled with mixed down, core in polyurethane (D.30 + D.30 FE)

Low back cushion padding 100% Gabardine cotton cover filled with mixed down

Seat height 40 cm **Arm height** 67 cm **Feet** metal micaceous brown stained or white RAL 9003 stained, h. 3 cm

Structure dossier et assise base en métal; structure en multiplis de bois

Rembouillage structure dossier tissu externe en coton à chevrons 100% imperméable aux plumes, Dacron thermo-lié et coton thermo-soudé. Garnissage en plumes mixtes avec une âme en polyuréthane de différentes densités

Rembouillage structure assise tissu externe en coton à chevrons 100% imperméable aux plumes. Garnissage en plumes mixtes avec une âme en polyuréthane (D.30 + D.30 FE)

Rembouillage coussin cale-rein Gabardine de coton 100%, garnissage en plumes mixtes

Hauteur assise 40 cm **Hauteur accoudoir** 67 cm **Pieds** Métal verni brun micacé ou blanc RAL 9003, h. 3 cm

Polsterung der Struktur und der Rückenlehne sichtbare Basis aus Metall; Innenstruktur aus mehrlagigem Sperrholz

Polsterung der Rückenlehne Federn Gemisch und thermogebundenes Dacron vernäht in einem 100% Körperbaumwollstoff, der daunenundurchlässig ist, Schablone aus Polyurethan variabler Dichte

Polsterung des Sitzkissens Federn Gemisch vernäht in einem 100% Körperbaumwollstoff, der daunenundurchlässig ist, Schablone aus Polyurethan (D.30 + D.30 FE)

Polsterung des Nierenkissens Baumwollhülle aus 100% Gabardine mit Füllung aus Federn Gemisch

Sitzhöhe 40 cm **Armlehnhöhe** 67 cm **Füße** aus glimmerig braun oder weiß RAL 9003 gebeiztem Aluminium, H. 3 cm

Estructura respaldo y asiento estructura vista en metal, estructura interna en madera multicapa

Relleno respaldo tejido externo 100% algodón Gabardine antiplumas asargado y termosellado de Dacron, relleno en mixto de plumas con interior en poliuretano de varias densidades

Relleno asiento tejido externo 100% algodón Gabardine antiplumas asargado, relleno en mixto de plumas con interior en poliuretano (D.30 + D.30 FE)

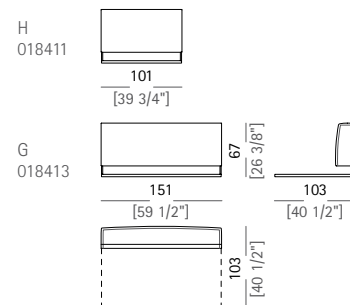

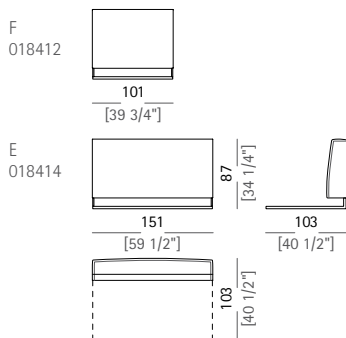

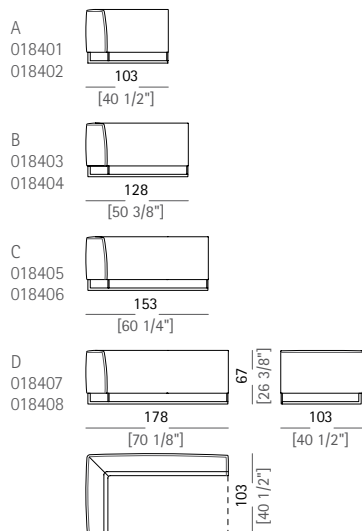

Relleno cojines de apoyo lumbar funda de 100% algodón Gabardine con relleno en mixto de plumas

Altura asiento 40 cm **Altura brazo** 67 cm **Pies** en metal teñido marron, o blanco RAL 9003 h. 3 cm

Elemento bracciolo/schienale
Arm/back-unit

Elemento schienale alto
Hight back-unit

Elemento schienale basso
Low back-unit
