

Buongiorno

A good morning straight from reveille.

Buongiorno is a mattress that combines the orthopaedic characteristics of Elioform with the anatomic characteristics of Memoform Magnifoam, quilted on one side of the covering.

The Elioform layer, 18cm (7^{1/8} inches) is rigid and gives support to the whole body, and especially to the back; it is even more comfortable with the 3cm (1^{1/8} inches) of Memoform Magnifoam, that adapts perfectly to the lines of the body and avoids muscular or lymphatic compression

The benefits of the Aloe Vera extracts on the Buongiorno mattress is a wellness element: the virtues of this plant are anti-inflammatory, regenerating as well as hypoallergenic and antibacterial.

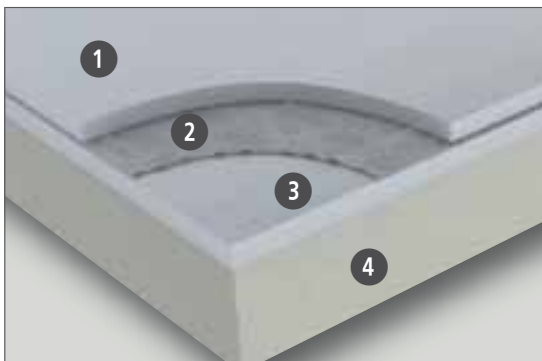

USA: MBUONG0125US0
EU: MBUONG0425IT0

Height **25 cm**
10"

With 2 cm di Memoform Magnifoam quilted on one side. (0^{3/4} inch)

ALOE VERA TREATED FABRIC COVER

- 1 - Memoform M. padding
- 2 - Insulating TNT sheet
- 3 - Memoform M. layer
