

Riposo

Wellness and comfort solution.

With Riposo Magniflex offers a mattress with special orthopaedic properties: that consist in a combination between Eliosoft material that firmly supports the body and Memoform Magnifoam quilted onto the cover. Memoform Magnifoam perfectly adapts to the body, fills the spaces between the curvature of the spine and keeps it perfectly aligned. The fabric of the cover is treated with "Maedical", which is well known for its anti microbe powers and guarantees a hygienic ambient for resting.
